GUEST SPEAKER

"Full Circle: Translating Health Services Research into Health Policy"

Lorraine Kelley-Quon, MD, MSHS

Date: Thursday, November 3, 2016

Time: 12:00 pm - 1:00 pm

Note: A light lunch will be served

Location: NRT 503/504

Dr. Lorraine Kelley-Quon is a House Staff Clinical Instructor at The Ohio State University College of Medicine and Chief Resident in pediatric surgery at Nationwide Children's Hospital. She obtained her undergraduate degree in Biochemistry and Cell Biology at the University of California, San Diego and completed her medical degree and general surgery training at the University of California, Los Angeles. During residency, she completed the Robert Wood Johnson Clinical Scholars Program and obtained a Master's in Health Services Research from the UCLA Fielding School of Public Health. Her research interests include identifying and eliminating health care disparities for children, optimizing pediatric surgical health care delivery and translating health services research into health policy.
