Sachin H. Jain, MD, MBA is chief executive officer (CEO) at CareMore Health System, an innovative health plan & care delivery system with \$1.2B revenue & over 100,000 members in 8 states. He is also consulting professor of medicine at the Stanford University School of Medicine and a contributor at Forbes. Prior to joining CareMore, Dr. Jain was Chief Medical Information & Innovation Officer at Merck & Co. From 2009-2011, Dr. Jain worked in the Obama Administration as a senior advisor to Donald Berwick. Dr. Jain was the first deputy director for policy and programs at the Center for Medicare and Medicaid Innovation (CMMI), and served as special assistant to David Blumenthal when he was the National Coordinator for Health Information Technology. Dr. Jain graduated from Harvard College and continued on to earn his MD from Harvard Medical School and MBA from Harvard Business School. He trained in medicine at Brigham and Women's Hospital, and continues to practice medicine at CareMore. He is an elected member of the National Academy of Social Insurance (NASI) and has published over 100 peer-reviewed. He edited the book, *The Soul of a Doctor* (Algonquin Press), and is co-founder and co-editor-in-chief of the Elsevier journal *Healthcare: The Journal of Delivery Science & Innovation*.
