

**USC Institute for Prevention Research (IPR) and the
Department of Preventive Medicine Speaker Series
Presents:**

Value in Care for Inflammatory Bowel Disease Management
and Beyond

Welmoed Van Deen, MD, PhD
Assistant Professor of Research Medicine

Dr. Van Deen is an Assistant Professor of Research Medicine at the USC Gehr Center for Implementation Science in the Department of Medicine and a Clinical Scholar at the USC Schaeffer Center for Health Policy and Economics. She has studied health outcomes and healthcare utilization patterns in inflammatory bowel disease (IBD) management using a variety of data sources. She is involved in national and international collaboratives that aim to improve transparency in health outcomes for IBD. Dr. Van Deen will discuss her work with a focus on how to use outcome data for quality improvement purposes.

Date/Time: Friday, March 31st, 2017 1:00-2:00 PM

Location: SSB 115/116 (2001 N Soto Street, 1st floor)
