Location: Zilkha Neurogenetic Institute (ZNI) Room 112
1501 San Pablo Street Los Angeles, CA 90033

Nirav R. Shah, MD, MPH, is a leader in patient safety and quality, the social determinants of health, and the strategies required to transition to lower-cost, patient-centered health care. He is board-certified in Internal Medicine, is a graduate of Harvard College and Yale School of Medicine, and is an elected member of the National Academy of Medicine. He has served as a director for public and private institutions, as the chairman of National Institutes of Health (NIH) grant review panels, on the editorial boards of medical journals, and published over 100 peer-reviewed articles. Previously, he served as the Senior Vice President and Chief Operating Officer for clinical operation for Kaiser Permanente in Southern California, and as Commissioner of the New York State Department of Health.
