

FIGHT THE PRESSURE Target Blood Pressure Symposium

Tuesday, May 9, 2017

CME Credits Provided, No Registration Fee.

Play by Play Update on Blood Pressure Control

Tuesday, May 9, 2017 • 9:00am-12:00pm

USC Health Sciences Campus

Mayer Auditorium

Elite panel of speakers include:

Eduardo Sanchez, CMO for Prevention and Chief of the Center for Health Metrics and Evaluation for the American Heart Association

Michael Hochman, MD, MPH, Director, Gehr Family Center for Implementation Science, Department of Medicine, Keck School of Medicine

Steven Chen, PharmD, Associate Dean for Clinical Affairs, USC School of Pharmacy

High blood pressure is a contributing factor to major health conditions like heart disease and stroke. Of the 2.3 million people diagnosed with hypertension in LA County, alarmingly half are uncontrolled. Learn about the AHA and AMA's evidenced-based Target BP initiative and innovative approaches to improve blood pressure control among patients.

Be a part of the solution, join us on May 9th and enroll in **TARGET:BP** and receive:

- ✓ **CME credits, Free Food & Validated Parking**
- ✓ **A Customized plan with tools, resources and improvement plans**
- ✓ **Improvement measurements and report results - national resource**

Registration: http://events.usc.edu/esvp/esvp_targetbp.php

Registration deadline: May 1, 2017

(Register by **April 14th** to be invited to the pre-symposium breakfast with the speakers*)
