PROVIDING HIGH-QUALITY, EQUITABLE CARE ACROSS THE CARE CONTINUUM WITHIN THE CHANGING POLICY LANDSCAPE

The USC Gehr Family Center for Health Systems Science and Innovation is hosting its first annual research symposium. We invite researchers, students, health policy specialists, and health care administrators to come together to hear about ongoing research projects and to also discuss new ideas and questions that can help inform broad efforts to improve health equity and reduce disparities. The day will include a poster session and panel presentations on topics including:

*Screening for and Addressing
Social Needs in Clinical Care*

*Healthcare Coverage for the
Undocumented: Navigating the Shift
from My Health LA to Medi-Cal*

*Challenges in Transitions to Specialty
Care: Quality, Access, and Wait Times*

Advanced [RSVP](#) is required.
